

Partners of Good Shepherd Jamaica, Inc.

June 2018

OUR ACCOMPLISHMENTS

Since our inception in 2013, Partners of Good Shepherd Jamaica has provided support in the following ways:

- Scholarships funding to over 40 individuals attending various educational institutions such as: the University of the West Indies, University of Technology; Caribbean Maritime Institute (now Maritime University); Edna Manley School of the Performing and Visual Arts, Catholic College of Mandeville, Jamaican Theological Seminary and other educational institutions.
- Contributions made to the building fund for the Good Shepherd Medical Center. Through the Good Shepherd Foundation founded by then Bishop Charles Dufour in 1997, Bishop Dufour's passion to assist the poor in the Montego Bay area by constructing a medical center was undertaken. The mission is to provide financial, physical, and moral support to the educational and healthcare needs of the disadvantaged living in the western parishes of Jamaica. The Medical Center's official opening took place on June 6, 2018.
- Donated by shipping directly the following items to Mustard Seed Communities: wheelchairs, walkers, clothing, Christmas trees, shoes, toiletries supplies and much more to help children and young adults with mental and physical disabilities.

Mustard Seed Communities serves the disadvantaged in many areas by providing: residential care for persons with disabilities; residential care for children affected by HIV/AIDS; residential care for young mothers; education and nutrition; sustainable agriculture and training and community outreach.

- Total contribution to charities in Jamaica to date is over US\$72,000 in cash plus in-kind contributions.
