GOOD SHEPHERD FOUNDATION - A JAMAICAN INITIATIVE – STEMMING THE TIDE OF POVERTY -

Dear Friends in Christ,

The Good Shepherd Foundation grew out of a passion of the second Roman Catholic Bishop of Montego Bay for the poor of Jamaica. He had palpable evidence of that poverty when he went to Montego Bay as its Bishop in the late 1900s and was able to galvanize Jamaicans around an organization that would attempt to respond to that need. Among the many needs, health care and education stood out and so the Good Shepherd Foundation has as its purpose to assist the poor and infirmed in Jamaica. Its mission is to provide financial, physical, and moral support to the educational and healthcare needs of the disadvantaged living in the western parishes of Jamaica.

Started in February of 1997, the vision was caught by Jamaicans in Florida, USA, who brought the Friends of Good Shepherd MoBay Inc. into existence. Their assistance to the poor in Jamaica, especially in the areas of education and health has grown from strength to strength. Now congratulations are in order for another group of Jamaicans in Maryland, USA, who have taken up the mantle and started a new Foundation called the Partners of Good Shepherd Jamaica, Inc. who will be focussing on education and healthcare needs. It is all a matter of Jamaicans and friends helping Jamaicans.

The Good Shepherd Foundation Medical Centre

At this time the Good Shepherd Foundation in Montego Bay, Jamaica has undertaken its first mega project. It is the construction of the Good Shepherd Medical Centre on the grounds of Blessed Sacrament Cathedral. When completed this 30,000 square feet project will house: the Hope Teaching Clinic, a dental facility, a pharmacy, an eye care facility, minor surgery rooms, a nurse's station, staff lounge, conference room, kitchen, large waiting area, several offices, a rehabilitation centre and a chapel.

To date the upper floor is 85% complete while the ground floor is 60% complete and the foundations are 100% complete.

Wall of Friends

The total estimated cost of the construction is US\$ 3.2 million. It is estimated that US\$2.2 million would complete the project and put closure to another venture of The Good Shepherd Foundation. For those who wish to assist that project, their Board of Directors has set up a wall of friends whereby anyone who donates US\$1000 or more and who wishes to be recognized for their support will be publicly acknowledged by having their names added to the Wall of Friends.

Further information with respect to assisting this project may be obtained by contacting Ms Joy Dufour at e-mail: joydu4@yahoo.com or rcabkgn@cwjamaica.com. May God bless the efforts of Jamaicans and friends who continue to love their needy brothers and sisters and to give them the opportunity to help themselves. And may God bless the Partners of Good Shepherd Jamaica, Inc.

Sincerely in Christ,

***Message from His Excellency Stephen Vasciannie
Ambassador of Jamaica to the United States of America on the occasion of the
Second Annual Fundraiser ~ Partners of Good Shepherd Foundation***

It is my distinct pleasure and honour to be among the Friends and Partners of Good Shepherd Jamaica, Maryland as you come together once again for the Second Annual Fundraiser for the Good Shepherd Foundation in Jamaica. I am heartened at the unwavering support and commitment that have been extended to this noble charity.

For decades, the Good Shepherd Foundation, through the generous support of friends, partners and sponsors, as those gathered on this occasion, has provided invaluable assistance and support to the disadvantaged and infirm in Jamaica, particularly those living in the Western parishes. The humanitarian and selfless efforts that have been undertaken by the Foundation have complemented substantially the efforts of the Government of Jamaica to ensure that all our citizens, especially the most vulnerable, have access to proper health care, quality education and an overall improvement in their living conditions. The Government and People of Jamaica are truly grateful for the assistance that has been provided by Organizations such as the Good Shepherd Foundation, and its supporters.

On behalf of the Government of Jamaica, I must extend particular commendation to our fellow Jamaicans in the United States, especially those in Florida and here in Maryland, who have sought to give their full support to this worthy initiative, through the establishment of "Friends" and "Partners" Foundations. Your selfless efforts must be applauded. I encourage you to continue the good work that you have started, which has impacted so many lives.

It is my sincere hope that the Good Shepherd Foundation, and its partners will continue to grow in strength and numbers, and that it will remain a "beacon of hope" for all Jamaicans, especially the less fortunate among us. Please be assured, in this regard, of my full commitment and support.

May the Eternal Father continue to bless you all richly in your future endeavours.

Ambassador Curtis Ward

*Governor's Commission on Caribbean Affairs
State of Maryland*

It is with the utmost pleasure that I associate myself with this worthy undertaking in support of efforts aimed at enhancing the education, health and well-being of underserved Jamaicans back in the homeland. The work carried out by Good Shepherd Foundation of Montego (Good Shepherd MoBay) to fill the void in education and health care for the less fortunate encourages us as Jamaicans in the Diaspora and friends of Jamaica to assist in whatever way we can. Despite the many challenges facing our homeland and the reality of the hardships visited upon our less fortunate brothers and sisters, I am heartened by the fact there are counted among our fellow Jamaicans at home many people of good will and deeds as exemplified by the leaders and supporters of Good Shepherd MoBay.

Members of the Jamaican-American community here in the State of Maryland has pledged its support for Good Shepherd Mobay and has organized this event for the second year running to provide financial support. The organizers have demonstrated that this is not a one-off event and have taken steps in the process to making their support here in Maryland permanent through establishment of "Partners of Good Shepherd Jamaica", a not-for-profit organization.

On a daily basis, our hearts are touched by the humanitarian disasters around the world, including on the southern border of the United States. We are fortunate that Good Shepherd MoBay stands as a beacon and as a place of refuge and caring for our less fortunate country men and women, welcoming and providing them with assistance. Good Shepherd MoBay has worked tirelessly and diligently, leading the way in averting humanitarian disasters in Jamaica. As members of the Jamaican Diaspora, we have a responsibility to assist and support them in their work.

As Chairman of the Governor's Commission on Caribbean Affairs (State of Maryland), and as a member of the Jamaican and Caribbean Diasporas, I encourage and implore my fellow Jamaicans and people of the Caribbean to join Partners of Good Shepherd Jamaica in support of this worthy undertaking on an ongoing basis.

Dr. Bertram L. Melbourne

Greetings:

I salute the aims, objectives, vision and mission of the Good Shepherd Foundation. In many modern societies the plight of the poor and infirmed are often neglected. In fact, in some Western Countries the poor are allowed to languish and seniors are forgotten after they have made their contributions to society and nation building.

That is why Archbishop Dufour and the Good Shepherd Foundation is to be commended and supported in its efforts to keep their plight in the foreground and in keeping them in the forefront of our consciousness. This worthy project deserves our wholehearted prayers and support.

Joy Marie Dufour
President
Partners of Good Shepherd
Jamaica Inc.

Thank you all for your support and we are honored by your presence and commitment to the cause. We have worked tirelessly and diligently to plan this fundraising event and hopefully you will have an enjoyable afternoon as we put the 'fun' in this year's fundraising event!

I think we can all agree that we are living in one of the most challenging times we have experienced. Yet, we must be reminded about our brothers and sisters living in Jamaica who are less fortunate. Let us all unite and help those who cannot help themselves.

I read an article recently discussing the reasons we give, whether monetary or of self. Please allow me to highlight some of those reasons: we give because it is in our best selfish interest; for a tax write-off, you feel warm and fuzzy; you feel good about yourself; it's the right thing to do, altruism - government is not providing for the people but in reality folks do not prefer the taxes, or you give for the prestige, or it's a good thing to give; or that it gives you a voice about the cause; or to expect something back; yes the folks to be taken care of - what is called social insurance; or you have a deep seated belief in the cause, and that we are loving and compassionate.

Regardless of your reason - one thing is for sure, your time and donation makes a difference. So let us be encouraged to continue doing the work stated in the Mission Statement. We are helping the Jamaican community at large through our gifts. We are up-lifting and caring for the sick and marginalized in our society as well as fostering educational programs for the disenfranchised.

Once again, thanks to all of you for your support and let's meet again at the next fund-raiser!

Winston Churchill once said: "We make a living by what we get. We make a life by what we give."

Bless up everyone!!

NATIONAL ANTHEMS

United States of America

*Oh, say! can you see by the dawn's early light
What so proudly we hailed at the twilight's last gleaming;
Whose broad stripes and bright stars, through the perilous fight,
O'er the ramparts we watched were so gallantly streaming?
And the rocket's red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there:
Oh, say! does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?*

Jamaica's National Anthem

Verse 1

*Eternal Father, bless our land,
Guard us with Thy mighty hand,
Keep us free from evil powers,
Be our light through countless ours.
To our leaders, Great Defender,
Grant true wisdom from above.
Justice, truth, be ours forever,
Jamaica, land we love,
Jamaica, Jamaica, Jamaica, land we love.*

Verse 2

*Teach us true respect for all,
Stir response to duty's call,
Strengthen us the weak to cherish,
Give us vision lest we perish.
Knowledge send us, Heavenly Father,
Grant true wisdom from above.
Justice, truth, be ours forever
Jamaica, land we love.
Jamaica, Jamaica, Jamaica, land we love.*
